The image displays the Ableton Live software interface, divided into two main sections: a multi-track session view at the top and a detailed view of the Lead Vocal track at the bottom.

Top Section (Multi-track Session):

- Transport and Status:** Shows a timecode of 01:01:25:06.71, a tempo of 127.0000, and a 4/4 time signature. The current measure is 46.
- Track List:** A list of 12 tracks is visible:
 - 1. Drummer (M/S)
 - 2. Synth Pad Layers (M/S)
 - 5. Vintage B3 (M/S)
 - 6. Crunchy Synth (M/S)
 - 7. Electric Piano (M/S)
 - 8. Drum Machine (M/S)
 - 9. Lead Vocal (M/S)
 - 10. Backing Vocal (M/S)
 - 11. Guitar (M/S)
 - 12. Funk Bass (M/S)
- Waveform View:** Each track has a corresponding waveform or MIDI region. The Drummer track shows yellow regions for 'Chorus Drums', 'Pre-verse Drums', and 'Verse 2 Drums'. The Lead Vocal track shows blue regions for 'Lead Vocal' and 'Lead Vocal: Final Co'.

Bottom Section (Lead Vocal Track Detail):

- Flex Pitch:** The 'Flex Pitch' tool is active, showing a piano keyboard with 114 notes selected in 2 regions. The pitch correction strength is set to 100.
- Waveform:** A detailed view of the Lead Vocal waveform is shown, with blue regions indicating the selected notes. The time range is from 45 to 46.3.
- Gain:** The gain for the selected notes is set to 0.
